HEART AGREEMENT DISCUSSION

Sponsors: The scenarios below were provided for the first time prior to Fall Rally 2014 and may have been previously discussed by your YOUTers. Please revisit them anyway. Feel free to provide other scenarios and invite your YOUTers to suggest other situations that could arise during an event.

General Questions

1. Why do we have Group Agreements at Unity events? What is the purpose of having Agreements?
2. What is the difference between a rule and an agreement?
3. What is the difference between breaking a rule and failing to keep an agreement?
4. What is the difference between keeping an agreement and following a rule?
5. What is the value of keeping our word? What is the nature of integrity?
6. In what ways can breaking the heart agreements at Rally affect us, our fellow YOUTers, our sponsors, the regional YOU program?
7. If a YOUTer is sent home during Rally, how does that affect others?

Scenarios

1. A group of YOUTers are talking and giggling together near you during the Godwalk. You are upset by this as you have looked forward to the silence and the talking is disturbing to you.
2. You learn that a group of YOUTers plans to meet to smoke pot after hours on Saturday night.
3. Your boyfriend / girlfriend wants you to sneak out to meet him/her after hours?
4. You learn that your friend is planning to meet her boyfriend/ his girlfriend to slip away from the crowd for some alone time during free time. They are planning to go out of the boundaries to be alone.
5. The third chime has sounded at vespers and adult leaders have asked that everyone go to bed. You continue to say goodnight and give and receive hugs to your friends ignoring the request.

For each scenario

1. What are possible actions that might be taken in response to the situation?
2. What are possible actions that would support upholding the heart agreements?
3. Of the possible actions that might be taken, what actions violate the Heart Agreement?
4. What specific Agreement would be violated?
5. Why do we have this specific agreement included in our Agreements?
6. How do honesty and accountability play a part in the choices you make?
7. Who would your actions affect, or potentially affect if you choose to break the heart agreements?
