RALLY PREPARATION MEETING

Sponsors: Prior to coming to Rally, please hold a meeting with all YOUers and adults attending rally to review the items below. During the meeting, lead a group discussion on the following topics.

1. Heart Agreements

Scenarios and discussion questions are attached as a separate document. One of the most important discussions to the Rally consciousness we are trying to create is the discussion about heart agreements. Thank you sponsors for giving attention to this topic.

2. Intentions and Goals for Rally

What specific goals and intentions does each YOUer and adult participant have for Rally? (Typical goals might be feeling closer to God, making friends, renewing friendships, taking more time to pray, learning to speak up in a group, sharing a special talent or ability, or learning to appreciate or get along better with others.)

3. Individual Contributions to Rally?

What will you do before and during rally to make this a good experience for yourself and others?

4. Expectations

All YOUers and Adults* must attend ALL activities and stay with the group at all times. No one may be in cabin rooms during scheduled activities, switch rooms, or roommates. Everyone must arrive on Friday and not leave until Closing on Sunday. (Help your group feel a part of the total experience. Arrive during check in 5:00-6:00pm in time to get settled in before the 6:30pm pre-rally meetings and the start of rally at 7:00 pm on Friday evening. Adults in the group are responsible for the YOUers they bring to Rally. Please be aware of medical needs and medications, be vigilant and check in with YOUers regularly during the event. *Adults may be excused from large group activities to obtain needed rest.)

5. Share Information about rally

- a. Family Groups: Each YOUer and adult will meet 4 times during the weekend with their assigned small group.
- b. Fuzzies: This is the time when everyone exchanges friendly hugs.
- c. Business Meeting: This is the time at Fall Rally when the Regional business of the year is discussed and when new Regional Representatives are elected and installed.
- d. Spirit Share / Talent Show: This is the opportunity for Rally participants to share their talents with everyone. The Spirit of the Talent Show will be one of Spirituality, cooperation and appropriateness. Rehearsal for the show will be held during the beginning of free time on Saturday afternoon under the supervision of a Head Sponsor and/or the Regional Consultant.
- e. Adult Support Team: Several adults, both male and female, are designated as "Head Sponsors". Their job is to support the other Sponsors and assist the Regional Team in maintaining harmony and order throughout the Rally weekend.

6. Prayers and Affirmations: Lead your chapter in prayer, sending love and blessings to the regional team and all rally participants affirming perfect unity, harmony and order for the entire weekend!!

THANK YOU!!!

HEART AGREEMENT DISCUSSION

Sponsors: The scenarios below were provided for the first time prior to Fall Rally 2019 and may have been previously discussed by your YOUers. Feel free to provide other scenarios and invite your YOUers to suggest other situations that could arise during an event.

General Questions

1. Why do we have Group Agreements at Unity events? What is the purpose of having Agreements?
2. What is the difference between a rule and an agreement?
3. What is the difference between breaking a rule and failing to keep an agreement?
4. What is the difference between keeping an agreement and following a rule?
5. What is the value of keeping our word? What is the nature of integrity?
6. In what ways can breaking the heart agreements at Rally affect us, our fellow YOUers, our sponsors, the regional YOU program?
7. If a YOUer is sent home during Rally, how does that affect others?

Scenarios

1. A group of YOUers are talking and giggling together near you during the Godwalk. You are upset by this as you have looked forward to the silence and the talking is disturbing to you.
2. You learn that a group of YOUers plans to meet to smoke pot after hours on Saturday night. Most are graduates and will not be attending any other YOU events after Spring Rally.
3. Your boyfriend / girlfriend wants you to sneak out of your cabin to meet him/her after hours?
4. You learn that your friend is planning to meet her boyfriend/ his girlfriend to slip away from the crowd for some alone time during free time. They are planning to go out of the boundaries to be alone.
5. You receive a text after hours from a friend in another cabin. It says: "I need to talk to you. Meet me at bathhouse in 10 mins."
6. The third chime has sounded at the evening campfire and adult leaders have asked that everyone go to their cabins. You continue to say goodnight and give and receive hugs to your friends ignoring the request and lingering at the campsite.

For each scenario

1. What are possible actions that might be taken in response to the situation?
2. What are possible actions that would support upholding the heart agreements?
3. Of the possible actions that might be taken, what actions violate the Heart Agreement?
4. What specific Agreement would be violated?
5. Why do we have this specific agreement included in our Agreements?
6. How do honesty and accountability play a part in the choices you make?
7. Who would your actions effect, or potentially effect if you choose to break the heart agreements?

GROUP HEART AGREEMENTS

3. I will remain within the boundaries assigned to me at the campgrounds at all times. I will obey all rules set by Camp Tockwogh
4. I will take part in Rally with a clear mind and heart. I will abstain from the use of alcohol, tobacco and non-prescription illegal drugs during Rally and enroute to and from Rally.

6. I will stay out of the cabins and cabin areas of the opposite sex.
7. I will leave at home any articles that would interfere with the purest retreat experience such as skateboards, water pistols, roller blades or electronic game systems.
8. I will use electronic devices such as iPods, and Cell Phones only at times designated by the leadership team. I will use only electronic music devices that have headphones and not speakers. I will not allow my use of these items to disturb others.
