

Energy, Vibration, Frequency and Spiritual Maturity – Their Role in Ministry

**Sponsored by
Unity Worldwide Ministries Eastern Region and Southeast Region
Facilitated by
Reverend Toni Boehm**

*"If you want to know how the universe works, think in terms of energy, vibration, and frequency."
Nicola Tesla*

This quote underpins a fundamental law, a law that the Fillmore's were very familiar with ~ ONE Presence, ONE, Power, ONE Spirit, ONE Energy.

Mr. Fillmore wrote about energy and vibration in *Keep a True Lent*, *Four Dimensions in Man*, *Atom Smashing Power of Mind* and more. He knew how understanding energy and vibration was an imperative for spiritual and emotional maturity.

Join us as we delve into this topic and glean new wisdom applicable to our ministry's functioning.

The participants will

- Understand energy, vibration and frequency as important elements of ministry function
- Understand Spiritual/Emotional Maturity from the level of energy that affects ministry functioning
- Understand and develop the capacity to create a conscious curriculum of spiritual and emotional maturity for their ministry
