

Extraordinary Leadership: Connecting with Your Seven Core Abilities to Bring Out the Extraordinary Abilities in Others

*Sponsored by
Unity Worldwide Ministries Eastern Region and Southeast Region
Facilitated by Revs. Drs. Bil & Cher Holton*

Are you a current (or potential) leader within your Spiritual community? Are you tired of hearing the same old, same old leadership skills that don't seem to work the way they're promised? Are you looking for a "secret sauce" that will make your skills sizzle, and generate excitement, commitment, and creativity throughout your Spiritual Community?

If you shouted "That's Me!" -- or even whispered a tentative, reluctant "well, yes—but..." from the depths of your heart, this is the training for you!

Even if you know all the leadership tips, techniques, and theories in the world, you may not be maximizing your fullest Extraordinary Nature as a leader. This program introduces you to your Seven Core Abilities and shows you how to connect with them in the most effective ways to become an Extraordinary Leader, and bring out the Extraordinary Abilities in others!

Everyone in a current leadership position (as well as those waiting in the wings) will benefit from this Spiritual approach to leadership ... and unlock their ability to "Be Extraordinary!"
