Come together with the leadership teams of area churches for an in-person opportunity to connect, learn, and share. This day-long workshop will empower congregants who have said “yes” to a more dedicated level of service; present information that will build confidence in fulfilling their leadership roles; and offer insights from experienced church leaders in the sharing of strategies for success. Board members and other leaders will be encouraged to embrace opportunities for spiritual growth as they respond to situations occurring in their communities.
